Summer Health Tips:

- ✦ To keep cool, relax in the shade, wear a hat and light clothing that covers your arms and legs. Avoid strenuous activities and always wear sunscreen.
- ✦ Keep in mind that hot weather can make you more susceptible to heat stroke and aggravate other medical conditions.
- ✦ Speak with your pharmacist or physician about your medications to make sure they don't make you more prone to heat stroke or sunburn.
- ✦ Drink plenty of fluids to prevent dehydration.
